Agenda ... Mike Hammer

1.	Make your-self easy to do business with.
2.	Add more value for your customers.
3.	Obsess about your processes.
4.	Turn creative work into process work.
5.	Use measurement for improving, not accounting.
6.	Loosen up your organizational structure.
7.	Sell through, not to, your distribution channels.
8.	Push past your boundaries in pursuit of efficiency.
9.	Lose your identity in an extended enterprise.
