

Volunteer Opportunities

What we do! See our web site: www.projectacademy.org

Project Academy is a start-up 501(c)(3) non-profit corporation dedicated to helping middle and high school age students become more successful interfacing with school, society and business organizations. Our program uses a problem based learning model in which the students work in a learning team solving community problems while learning college and career readiness skills.

Volunteer Opportunities:

- Developing educational processes
- Build our non-profit infrastructure
- Develop relationships with community, education and business organizations
- Support fund raising operations

Benefits for you:

- Doing something of value for the community
- Having fun & excitement in an entrepreneurial organization
- Helping to create value for our students

Timing:

- Commit to a fix time which works for you
