

Tenets (beliefs, views) of Project Academy

| |
|---|
| Suspend judgement |
| Listen in order to receive |
| Make your team mates look brilliant |
| Stretch your goals and look for excellence in what you do |
| Look for the fun and joy in learning |
| Make questions a part of your learning process |
| Build skills to connect to society, businesses, and education organizations |
| See problems as opportunities |
| Connect to the community |
