

# What we are going to do?

- Get to know each other
- Create an environment to work in
- Set-up a team (like a sports team)
- Pick a problem to work on
- Use the problem-solving process to collect ideas and pick a good solution
- Create a presentation board that shares
- You work with other & Celebrate!!

**Learn:** Life Skills, Study tools, Mind-set thinking, Tools to build community, Problem-Solving, Deal with adversity in life
