

Measuring our success?

How will we know we were successful for the overall project ... Not just for the problem solution (that an part of our success.

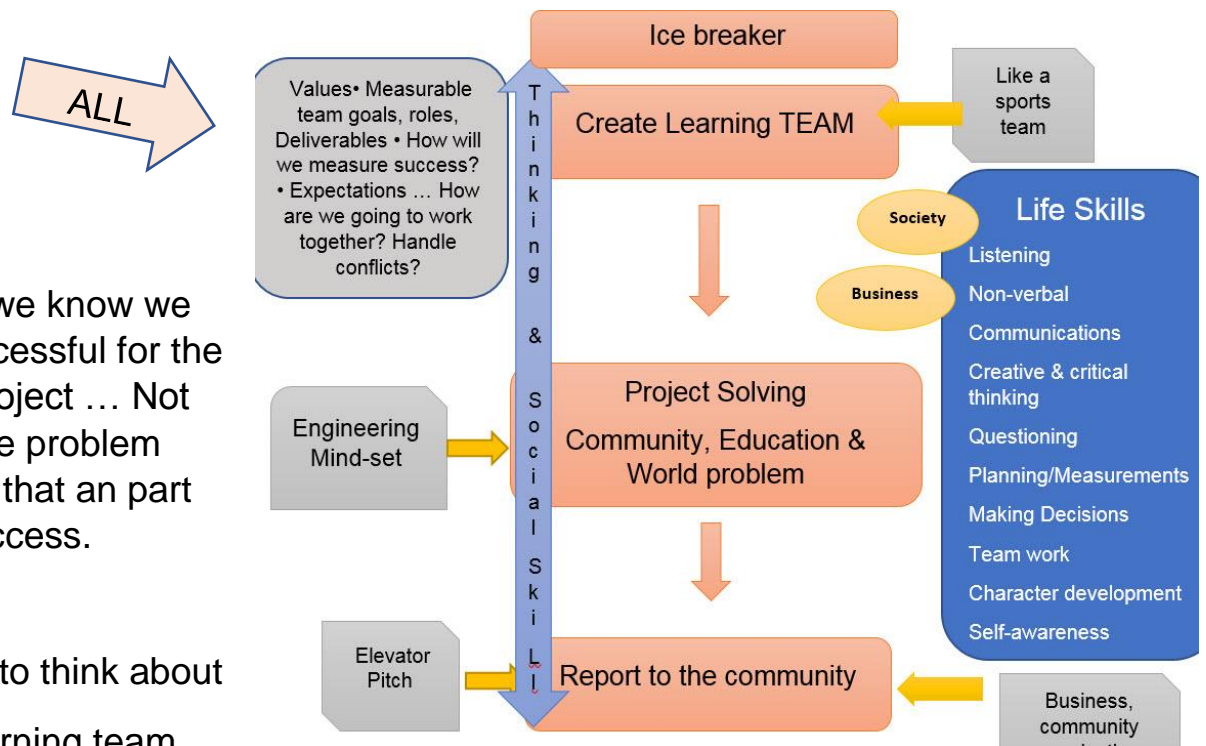

We have to think about

- Learning team
- Life-Skills
- Public reporting
- Having fun
- Moving forward on College & Career readiness

Should we do a survey at the last class?

Think of them like a Goal that can be measured

Create a List

Skills:

- Listening
- Creative
- Measurements
- Reflection
