

Questions to encourage students to think more deeply

Thought provoking questions	
<p>Questions that ask for reasons Why did you say that?</p>	<p>Questions that probe assumptions How do you know that?</p>
<p>Questions that ask for evaluation of reasons What reasons support that idea?</p>	<p>Questions that ask for consequences and implications What would the consequences be?</p>
<p>Questions that ask for clarification Is that what you meant?</p>	<p>Questions that ask for connections Do those two ideas agree?</p>
<p>Questions that ask for explanations What are some possible causes?</p>	<p>Questions that ask for distinctions How is that different from what was said?</p>
<p>Questions that ask for evidence How could we prove this?</p>	<p>Questions that ask for questions What questions would be useful to ask?</p>
<p>Questions that ask for definitions What does that mean?</p>	<p>Questions that ask for summary of the content What have you found out?</p>
<p>Questions that ask for counter examples When would that not happen?</p>	<p>Questions that ask for a summary of the process What did we do well? What could we improve?</p>
<p>Questions that ask for alternatives What would be a different view?</p>
