## Project Academy, Inc.

What can I do to add more value?

**Our students see their learning as something they own and that helps them interface with the educational, social and business communities.**

**Wisdom:** good decisions and taking the path that provides value to all (society)

**Community :** People and relationships count

**Social justice :** leaving the world a better place than you found it

**Purpose:** Sense of direction that you achieve, the goals you set
