Getting Started

Taking the time to talk about our assumptions and what our norms should be can save time and accelerate results down the line. Setting ground rules is part of setting expectations for our performance. Meeting these expectations will build trust and improve accountability.

Foundational Skills

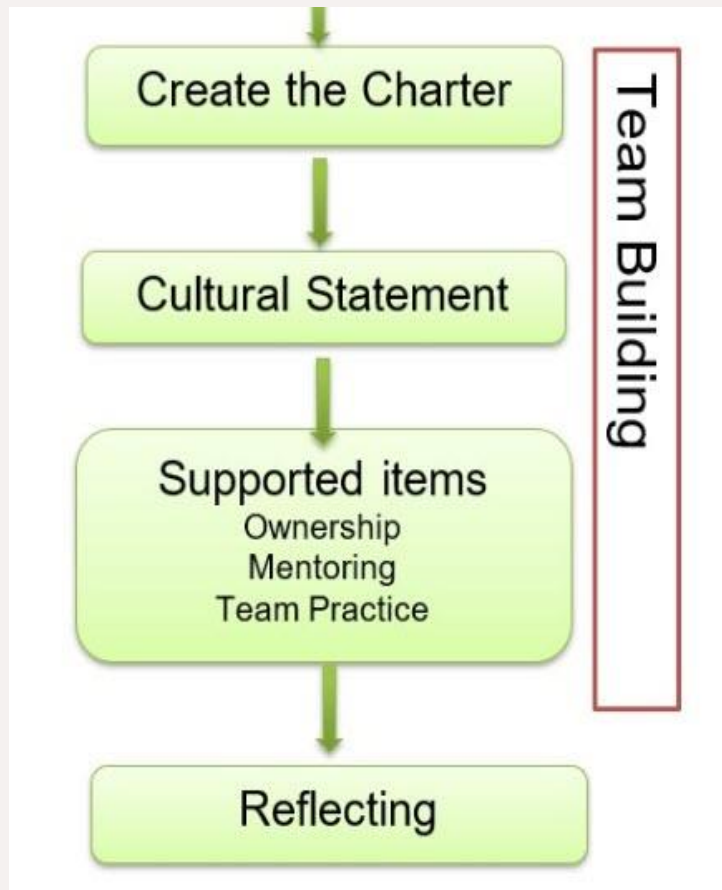

Wisdom: good decisions and taking the path that provides value to all (society)

Community: People and relationships count,” We versus I” Attitude

Social justice: leaving the world a better place than you found it

Purpose: Sense of direction that you achieve, the goals you set
