

Job Skills

What about your needs today? You & your talent

What are Life-Skills? **Life skills** are abilities for adaptive and **positive behavior** that enable humans to deal effectively with the demands challenges of life

and

Problem-solving	Team work	Communication skills
Schedule/ planning	Time management	Listening
Thinking skills	Leadership skills	Social & Emotional skills
Being persistence	Curiosity	Thinking like an owner

In “problem solving practice” you put a short term fix and then do the long term solution Short term solution is to help support changes in the work place by talking to knowledgeable people ...

Job Searching:

This job searching sucks... Nobody to do it for you...

It feels like a miner in a job cave... Have to keep digging for leads, words, people, stories Its there but its lots of time & Effort. Social media (Facebook, Linkedin, Twitter. ..) Software has taken over the select practice.

Google+ ... The recruiting industry has done what all industries have done ... Shifted the work load on to its users.

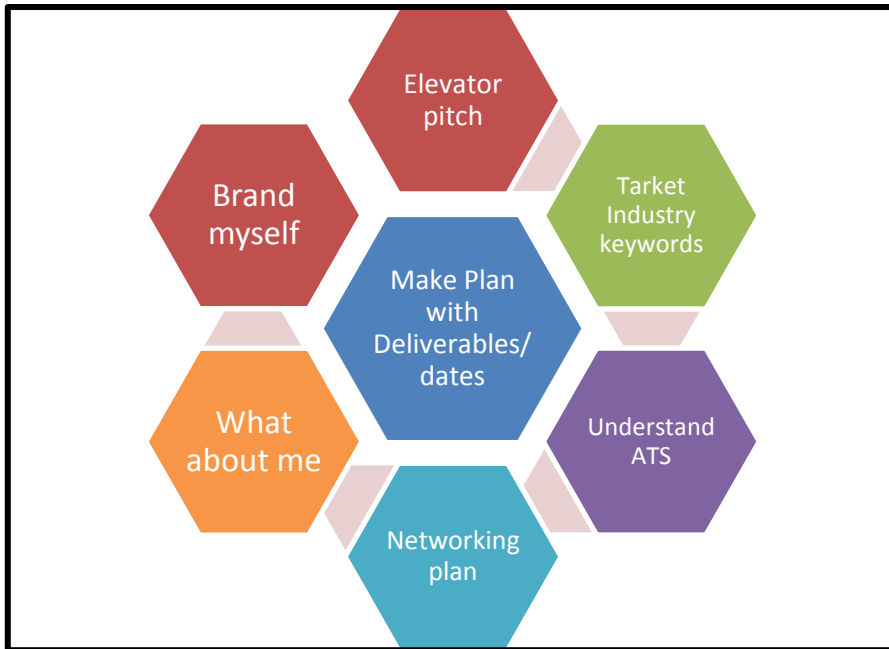

Software ... looking for key words You have to know what they are looking for ATS Applicant tracking system **Make a Plan; Deliverables**

Have to make yourself visible (Your Brand)...

Put yourself on job boards Join networking groups, Professional organizations ...

Write: What have you accomplished for your companies... results

Skills: Non-verbal in your talking and writing **must see the smile**

Show: Energy and Enthusiasm, Customer focus, Positive attitude,
