

## The following are our Uniqueness:

The program focuses on teaching life-skills to create a well-rounded individual who will fit into the work environment. It uses the concept of mindset thinking around the following:

- Ownership mindset ... **Think like an owner**
- Cultural Engineering mindset ... **Provide leadership & management of a project**
- Growth mindset ... **Your brain is like a muscle, use it or lose it**
- Team mindset ... **To be successful, need to work together**
- Brand mindset ... **Who are you and how to show the world**
- Life skills ... **Students become cognitively aware of their life skills while doing activities**

Project based learning activities ... **Self-direct learning**

- Getting to know each other
- Team creation ,, **learning & building a culture**
- Picking a problem to work on
- Problem solving
- Public reporting

From our experiences in business & education, we have created a curriculum that sifted out the manual part of work and created thinking employees with unique mindset thinking and life-skills to be productive in your organization. **These are the people that AI will be difficult to replace.**
