

**Connecting  
team  
members**

Connect team members as coach/mentor to support each other in learning. Each team member becomes a coach to another in learning the life skills necessary to be successful in the business and society.

- Help create learning goals
- Set your learner's routine... connect to team goals
- Prompt your learner to stay on task
- Approve completed lessons.... Review lesson
- Help your learner set up daily and weekly study schedules.
- prepare for the next day's lessons.
